

## Plan B Equipment Insurance Plan

Limit: Replacement cost value of your equipment  
Deductible: \$100 per claim  
Minimum Premium: \$100.00

To calculate the premium, multiply the value of the equipment by 0.0158.

(Subject to a minimum premium of \$100).

Examples:

- 1) \$5,000 policy limit x .0158 = \$79.00  
(Cost of policy subject to \$100 minimum premium)
- 2) \$25,000 policy limit x .0158 = \$395.00

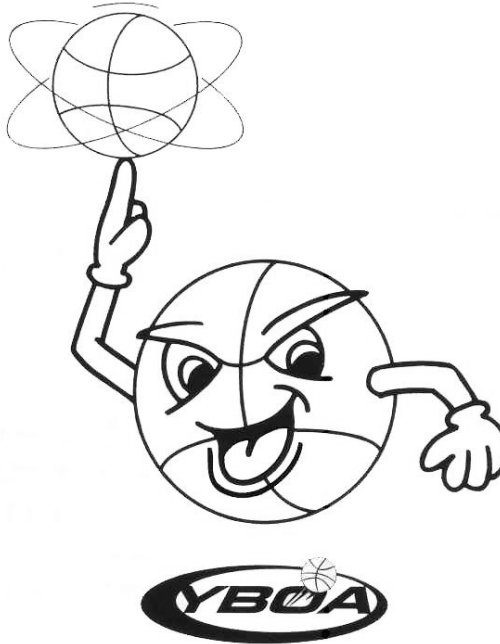

Under the Equipment Insurance Plan, the Equipment owned by the League or Association is protected against loss, including fire and theft. Coverage applies up to the full replacement cost value of each piece of Equipment (subject to the policy limits).

A complete inventory list (including each item type and its replacement cost value) must accompany this application in order for coverage to be bound. Please provide a detailed description (name, make, style or model, serial #, if applicable) of all individual items over \$1000 in value.

No coverage applies to items of equipment that are loaned or given out to players, volunteers, coaches or others.

Standard exclusions on the policy include: mysterious disappearance, wear and tear, inventory shortage, loss of money or securities. All equipment must be insured to its full replacement cost value.

Equipment policy is underwritten by Markel Insurance Company, Glen Allen, VA. Markel is rated "A" (excellent) by A.M. Best rating service.
